

FIND YOUR POLLING LOCATION IN KENTON COUNTY USING YOUR ADDRESS

To find your polling location using your address follow these steps.

1. Click on https://linkgis.org/mapviewer_voting/
2. After you agree to the disclaimer, you will get the following menu in the upper right-hand side.

The screenshot shows a web application window titled "Find Your Polling Locati...". It has three tabs: "Select", "Results", and "Property". Under the "Select" tab, there is a "Search layer" dropdown menu currently set to "Kenton Parcels". Below it is a "Search alias" dropdown menu set to "Owner Name". A section titled "Specify parameters for this search :" contains a text input field labeled "Enter Owner Name:" with the value "Smith". Below the input field is a small text example: "Example: Doe John". At the bottom left of the search area is a black "Search" button.

3. Under the Search Layer, you can choose from Kenton Parcels or Kenton Address Points. **Choose Kenton Address Points for better results**

This screenshot shows the same "Find Your Polling Locati..." window, but the "Search layer" dropdown menu is open, displaying a list of options. The options are: "Kenton Parcels", "Kenton Address Points", "Campbell Parcels", "Campbell Address Points", "Pendleton Parcels", and "Pendleton Address Points". The "Kenton Address Points" option is highlighted with a red rectangular box, indicating it is the recommended selection.

4. Next go to the **SEARCH ALIAS** option and change **OWNER NAME** to **ADDRESS**

Find Your Polling Locati...

Select Results Property

Search layer

Kenton Parcels

Search alias

Specify parameters for this search :

Enter Owner Name: Smith

Example: Doe John

Search

5. After entering the address of the location click the **SEARCH BUTTON**. If search doesn't automatically bring up your address, then leave out the qualifier on the address. For example, don't add Street, Drive, Way.

Find Your Polling Locati...

Select Results Property

Search layer

Kenton Parcels

Search alias

Address

Specify parameters for this search :

Enter Address: 1840 Simon Kenton Way

Search

6. If search works it will give you the following information which will include the PIDN (i.e. 040-44-19-013.00) which is the parcel identification number for that address. Then there is the Owner Name and Address. Click anywhere on that information.

The screenshot shows a web application titled "Find Your Polling Location...". It has three tabs: "Select", "Results", and "Property". The "Results" tab is active. Below the tabs, there are links: "Export Search URL", "Zoom All", and "Clear". A message states: "Features selected: 1 - Please select a parcel below to view the property information." Below this, a red rectangular box highlights the following information:

040-44-19-013.00
Owner Name: KENTON COUNTY
Address: 1840 SIMON KENTON WAY

7. By clicking on the PIDN and Owner Name information, you will receive the following information. The area highlighted in red will show: Precinct Code and Precinct Name; Polling Location and link to photo of building; Polling location address.

The screenshot shows the same web application, but now the "Property" tab is active. A red rectangular box highlights the following information:
